COVID-19 (Coronavirus) Key Worker Statement

This letter is to clarify that Eyre & Elliston Ltd is a key supplier to the critical sectors listed in the Government Covid-19 guidance and therefore our employees are defined as **Key Workers**.

This statement has been distributed to all of our employees and is shown on our website. If any confirmation is required that the person presenting this letter is an employee of Eyre & Elliston, please contact our Head Office on 01246 274358.

Eyre & Elliston are one of the largest independent Electrical Wholesalers in the UK with 61 branch locations that provide electrical installation materials to a broad range of customers including Food Manufacturing Industries, Energy Generation and Supply, Utilities, Emergency Services, Rail, Hospitals, Clinics and Health Services and Social Housing.

We are a key partner in the supply chain and the products we supply are necessary for the safety and potential continuation of electrical supply for our customers.

We have introduced measures to prevent the possible spread of infection and to protect our workforce, our customers and the general public whilst we continue to maintain our service to our customers.

We are closely monitoring the guidance issued by UK Government and will continually review and update our work practices to fully comply with the recommendations advised.

A handwritten signature in blue ink that reads "W Cannon".
